

## **MOTOROLA H500**

Streamlined and sophisticated, the Motorola Bluetooth Headset H500 provides wireless connectivity and convenience. Combining an ergonomic design and versatile ear hook, this sleek headset can be worn on either ear. Created to be ultra comfortable, the Motorola H500 is so easy to wear that you'll forget you even have it on! But don't be fooled by its good looks – this petite powerhouse provides impressive battery power to boot and an omni-directional microphone to clearly pick up your voice. A perfect companion for a variety of Bluetooth compatible 1.2- and 1.1-enabled mobile phones, the Motorola H500 is a must-have accessory for communicating in style.

### **Ergonomically Enhanced**

Offering improved comfort and sound quality over its predecessor, the Motorola H500 provides a sleek, ergonomic design that fits to your ear, allowing for comfortable wear over extended periods and providing an enhanced seal for outstanding audio performance. Style and comfort are only part of this package – the headset boasts up to 8 hours of talk time\*\* or 130 hours of standby time\*\* from a single charge, giving you plenty of juice for all of your wireless connections!

### **Mod Multi-tasker**

Whether you are managing the office or party planning on-the-go, the Motorola H500 is perfect for multi-tasking with flair. Equipped with a multifunction button it's easy to place, receive or end calls – all from one button! Conversations will occur sans interruptions, as the vivid blue LED light provides a visual cue to others – or if blue is not your color; you have the option of turning off the LED light.

### **Free and Easy**

Don't be tied down by wires. The Motorola H500 works with you to help you communicate on the go – connecting with devices up to 30 feet away. Or give your mobile a rest and connect with your Bluetooth-enabled PC for hands-free Voice over IP (VoIP)\* use.
