

▶ Cash In Transit Armoured Vehicles

We offer secure transportation solutions for almost any kind of enterprise. Products range from light-armoured Minivan models utilizing the *Chevrolet Astro* or *Ford Winstar* frames to larger models such as the *Ford E-350* and *E-450* cut-away vans. Heavier application requirements are manufactured on the chassis of *International Navistar* and *Sterling Trucks*.

We can offer armoured transport solutions in a 1,500-30,000 lbs payload range. Utilizing different base vehicles we can manufacture to accommodate light payloads of 1,500 – 5,000 lbs, medium payloads up to 10,000 lbs, and have duty armoured loads that provide GVWR capacities to approximately 30,000 lbs.

Our dedication to quality and high levels of ballistic defence, combined with individual and attentive approach to achieve customer's requirements, guarantees that we offer superior protection and safety with every vehicle produced.
