

## UPX-40 - UHF Long Range Transmitter-

### Product Over View

UPX-40 is one of the best choice for the users who need wider transmission range. Output power is two times higher than other transmitters and that promises users more secure and stable remote monitoring of the target.

#### **-FEATURE-**

1. Long Transmission Range. 200-250m in a crowded city. More than 500m in an open area. Approx. 1km in the desert. <Actually tested and confirmed.>

2. Easy Operation
